Dear Mr. Schubert:

Thank you for applying for the ENERGY STAR for One Beacon (ID: 1189479). We have reviewed your application, and we wanted to follow up on the issue below:

The following energy meter has a start date that falls within the 12-month application period:

Please provide an explanation for why this meter was added as of 10/1/2015. Did it record any energy data prior to that date? What loads does it capture, and if these loads existed prior to 10/1/2015, which meters were they captured on?

Please respond to this email by November 26, 2016 if you would like this property to be considered for the ENERGY STAR.

Thank you and we look forward to your response,
